

CRISIS INTERVENTION TEAM INC.

Thank you for your interest in the Community Awareness Resource and Education (CARE) card. The intended purpose for the CARE Cards is to help people navigate the community with confidence, knowing they can educate who they encounter on their illness or disability with dignity.

Please make note of the following:

- The CARE Card is not a government identification and should not replace a government issued ID or drivers license.
- A CARE Card is not an official form or proof of disability or illness and should not be used as such.
- These cards are not medical devices or legal documents.
- CARE cards are not a substitute for legal or medical advice.
- They are not considered proof of diagnosis.
- CARE cards are not to be used as mitigation in the cause or course of any crime.
- We do not maintain records of your information.
- We do not sell, give out, share or post your medical or personal information.
- **Do not reach for a CARE Card during face-to-face contact with law enforcement with out receiving approval to do so.**

Tips on using card:

- Ask “I have a disability/illness identification CARE Card, may I show you?”
- Have card out when you engage someone for a service; begin the interaction by handing the person the card.
- Let someone know you have a CARE Card by stating “I have a CARE Card”

Thank you for your support and please let us know your success story with the CARE Card and how it has helped you. If you have any questions about your card please contact us at cards@gocit.org
