

Downloading Zoom

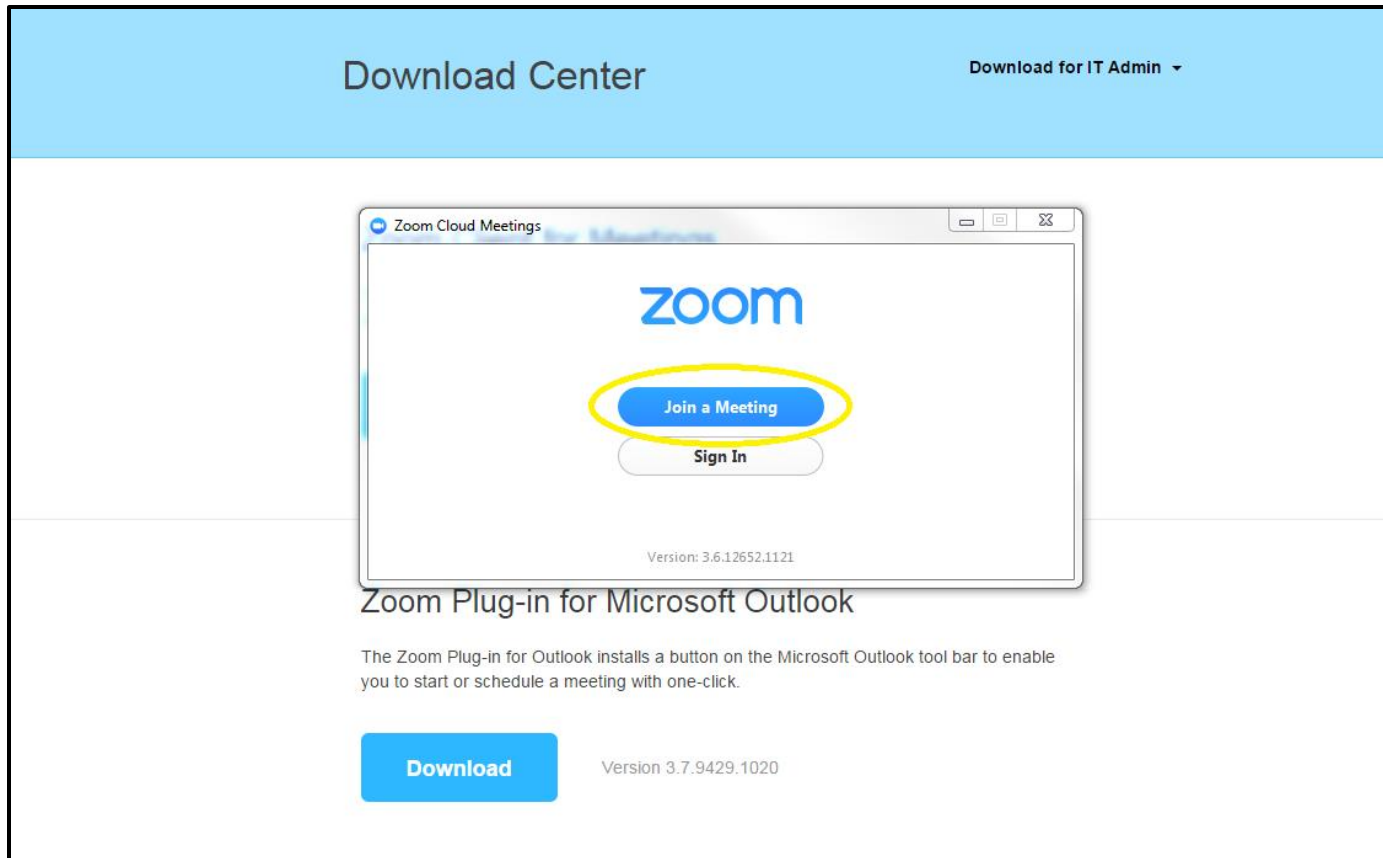

You can download Zoom by going to the website: <https://zoom.us/download> and selecting the download the **Zoom Client for Meetings**.

Once you select download for **Zoom Client Meetings** the Zoom installer will begin to download. Open the installer and select **RUN**.

After selecting RUN your download will be complete. A pop-up box will appear asking you to Join a Meeting or Sign In. **Select Join a Meeting.**

You will be asked to enter the **Meeting ID and password**. The Meeting ID and password will be sent you in a separate email by the Project Coordinator.
